

YEAR 6 CLASSROOM NEWS

AUGUST HIGHLIGHTS

ENGLISH

We finished reading the book 'The House with the Chicken legs' and recorded the new words in the word. We explored the chapters with different approaches to emphasize the importance of framing up a story.

MATH

We learned about the everyday systems of measurement in length, weight, capacity, temperature and time and used these to perform simple and complex calculations.

SCIENCE

The class explored and constructed food chains in different habitats. They collected evidence and data to test ideas including making predictions.

SOCIAL STUDIES

We learned about the Roman, Anglo Saxon and Victorian legacy to secure knowledge and understanding of British, local and world history. We discussed various crimes and punishments practiced through the ages.

UP NEXT MONTH

SCIENCE & SOCIAL STUDIES

Regions of Chile and its diversities.

ENGLISH

- Poetry

MATH

- Handling data and problem solving
